## ISO 37108 Business districts - Guidance for practical local implementation of ISO 37101

# ISO/TC 268/WG 1/TG 1 Tasks

2 main subjects to address:

**Indicators** - List of ISO 37108 to be compared with ISO 37120, 37122 and 37123 to identify those that are similar, those that need modification to be in line with WG 2 documents and those that are missing in WG 2 documents (but are important for business districts):

- o ISO 37120 (*Indicators for city services and quality of life*): Monika
- o ISO 37122 (*Indicators for smart cities*): Sudhir
- o ISO 37123 (*Indicators for resilient cities*): Chinese members

**Coherence with ISO 37101** - Identify what needs to be improved to strengthen the coherence with ISO 37101 requirements:

- o ISO 37101: French members

→ **Next meeting: 5th of December 2019**

 Thank you!
